Merilyn (above center) was voted 2006 Model of the Year by the readers of *SCORE*, narrowly edging out Crystal Gunns (right). Cynthia Romero (above left) will never win if reader B.G. has his way.

THE 2006 *SCORE* AWARDS: DID YOU VOTE FOR THE WINNER?

Dear *SCORE*,

Just a few words about the awards issue (May '07): fantastic and incredible. I couldn't vote this year because the field was so close.

Sorry, Crystal Gunns. I love you, but Merilyn Sakova just edged out ahead. Same deal with Morgan Leigh and Daphne Rosen. One note on the beautiful Rukhsana: Doesn't she look like a bustier version of Ava Cadell?

SaRenna Lee in the Hall of Fame? Yes! She is one of the most adorable women on the planet. When I met her, she impressed me with her lovable personality and wit. If any woman represents the best of *SCORE*'s models, it's her. Congratulations, SaRenna. We love you!

Okay, now for the hard part. Stop wasting our time with Cynthia Romero, please! This is the third layout that I've seen of her, and she looks as if she doesn't want to be photographed. I can understand if she was nervous, but she has posed for a year. Cynthia, either lose that attitude or keep your clothes on. There are more than enough models out there who want to be in *SCORE*.–B.G., Lexington, Kentucky.

The great SaRenna Lee is the newest member of the *SCORE* Big-Boob Hall of Fame.

IF MORGAN IS LIKE SARENNA, SHE'LL BE A HALL OF FAMER

Dear *SCORE*,

I once wrote to tell you that lovely SaRenna Lee had helped me overcome clinical depression more effectively than the meds prescribed by my doctor. So I am thrilled that SaRenna is *SCORE*'s newest Hall of Famer. Her photo retrospective in your May '07 issue gives me even greater pleasure now than when I first feasted my eyes on her.

I regret that I did not vote for Morgan Leigh for Newcomer of the Year. After shooting some exciting loads of cum over Morgan's May '07 layout, I would like to evoke a time-honored tradition in some places in the world, in which the electors change their votes to make an election unanimous after the winner has been declared. Morgan is fantastic, and I predict she'll soon become the new SaRenna Lee.–C.J., Philadelphia, Pennsylvania

KEEP THOSE LIPS WET, GIRLS!

Dear *SCORE*,

I would like to see more licking lips when the girls are in action and look at the camera. I love to see girls who lick their lips while they fuck.–Name and address withheld

DID ANNA SONG GET ROBBED FOR NEWCOMER OF THE YEAR?

Dear *SCORE*,

I am writing in hopes that you can correct a grave injustice that has been carried out in the pages of *SCORE*. This injustice has been perpetrated upon Anna Song, the rightful winner of the 2006 Newcomer of the Year contest. The cause of this injustice is the logically perverse decision by the editors of *SCORE* to allow Morgan Leigh and Daphne Rosen into the contest.

The dictionary defines "newcomer" as "a person or thing that has recently arrived; new arrival." Hence, Ms. Leigh and Daphne Rosen do not qualify

Did Anna Song get robbed of the opportunity to be 2006 Newcomer of the Year?

because they both had graced the pages of *SCORE* magazine prior to 2006.

It is clear from the results that had Ms. Leigh and Ms. Rosen not been included in the contest, Ms. Song would have been an easy winner. I urge the editors of *SCORE* to use due process to review and overturn their decision and present Ms. Song with her award, as is just.–F.E., London, England

Dear F.E.: Sorry you feel that way. Most readers agreed with our decision to allow Morgan and Daphne into the Newcomer of the Year contest, agreeing that their bodies had changed so radically, they are, in effect, new. So, our decision stands.

IT'S NOT TOO EARLY TO LOOK AHEAD TO THE 2007 AWARDS

Dear *SCORE*,

The race for Model of the Year for 2007 is heating up. I had Danielle Derek as the frontrunner after the January and February '07 editions came out, but Denise Derringer stormed into the race with her "Glory Hole" three-way (March '07). Not to mention the fantastic shot of her in the tight *SCORE* top. Please continue to feature Danielle, Denise and Daphne Rosen in upcoming issues. Their relentless work will make voting for 2007 Model of the Year very fun and interesting.

Four stars of the DVD *Big-Tit Glory Hole* are battling for 2007 Model of the Year: (clockwise from top left) Daphne Rosen, Morgan Leigh, Denise Derringer & Danielle Derek.

My early thoughts on Newcomer of the Year for '07 so far: Jade Feng has a slight edge on Alena Snow. I am anticipating seeing the new spread of Jade that you have hinted at in previous issues.

P.S.: Whatever happened to Lana Del Amore? I wouldn't mind seeing that bubble-butt-and-a-half again sometime soon.–B.B., Madison, Wisconsin

Dear B.B.: Lana hasn't gone anywhere since making her last appearance in the April '06 issue and we look forward to having her back in our studio shortly. Stay tuned! As for Jade, she's one of the stars of the new hardcore DVD Tits-A-Poppin'. *Photos from that scene were featured in the August '07 issue of* SCORE, *available on page 11.*

THREE DAYS WITH ZORYNA

Dear *SCORE*,

Some time ago, I came across a profile on Yahoo Personals with photos of Zoryna Dreams. I figured it was probably some guy who posted photos of her in a false profile as a goof, but in case it was actually her, I sent a greeting. Some months later, I got a reply stating that it actually was Zoryna Dreams. Even though I was skeptical, I replied with my email address.

Over time in her emails to me, Zoryna would mention facts that only she would know about me, so I began to believe it was actually her. See, during her days as a feature dancer, I used to draw pin-ups of her as super heroines and give them to her in exchange for free Polaroids and discounts on items she sold at strip clubs. Fast forward to 2006 and she asks in an email if she can crash at my apartment while she waits to get a visa for an upcoming trip overseas. I didn't think it would actually happen, but I said yes. I figured she would cancel as we got closer to the date she needed to come to New

COMING SOON: The great Cindy Cupps returned to our studio recently, and there were two notable aspects to her visit. 1.) Her tits were a lot bigger. 2.) She did something she'd never done before. Not to be outdone by her breast friend, Crystal Gunns paid us a visit, too. Gentlemen, we're sitting on a treasure chest!

York City, the week of Halloween 2006.

The Saturday before Halloween, she called, and she sure sounded like Zoryna. Monday, she called from the subway station near my apartment, and I went to collect her.

Sure enough, Zoryna Dreams was waiting for me outside the subway station! I couldn't believe it! I brought her to my apartment. She looked a little older and wasn't as toned as she was during her feature days, but she was still attractive and recognizable.

As we were getting reacquainted, she let slip that she would never have sex with a man she wasn't in love with. I think that was her way of telling me, "Keep it in your pants, horndog!" Luckily, I have a guest bed. So while she was waiting for her visa to come through, she stayed in my apartment for three nights.

I cooked her dinner, she cleaned my apartment and we talked. On her last day, I asked if I could take some photos of her so I could prove that a former feature dancer stayed at my apartment. She said yes, and I did. I went with her to pick up her visa, and she treated me to lunch. Afterward, she took the bus home. She is currently teaching overseas. Overall, the lack of sex notwithstanding, it was a *SCORE* reader's dream come true.

Had I known that I needed a signed release in order to get the photos printed in *SCORE*, I would've gotten one. Still, while the readers of this letter won't see the photos, the editors will, and they will be able to vouch for me.–Delmo W., Jr., via email

Dear Delmo: Thanks for sharing your experience–and your photos–with us. You're right, we can't publish the photos without signed model releases and picture IDs, but we can vouch for the authenticity of the photos. That sure looks like Zoryna to us!

What is Rukhsana hiding from us? Her pussy!

NICE TITS, RUKHSANA. NOW CAN WE SEE YOUR LOVELY CUNT?

Dear *SCORE*,

I love the tits on Rukhsana (May '07). She is really a good-looking women, but I was really disappointed that she would not show her pussy. Maybe you can get her to model again for you but showing her pussy. Tell her that I love her body. She's beautiful.–D.M., via email

WANNA KNOW HOW TO FUCK A BIG-TITTED CHICK?

Dear *SCORE*,

I consider myself an expert, and I think there are two surefire ways to get maximum pleasure while fucking a big-titted women.

The first is swinging the girl's legs over your shoulders and interlocking your hands around her legs. This way, you can pound the hell out of her and watch her tits go 100 mph in every direction imaginable. It's tough to last a long time because the visual is amazing, and if you're quick enough, you can blast your load all over her titties. I've had some self-conscious girls who tried to hold their breasts during this to keep them from going everywhere, but if you're doing your job well enough, most girls just give up and let you screw their brains out while their titties fly everywhere.

Busty mature babes like Alicia DiMarco (April '07) add spice to *SCORE*.

The second way is doggie-style while looking into a big mirror. Every girl likes doggie, and you can bop the hell out of her while her tits swing wildly. I've had girlfriends who have had to lift their heads up during this because their tits were hitting them in their faces. I tell them to just take it in the face the next time because I get off on watching my girl's boobs smack into her face. If she really likes you, she'll take one (or two tits) to the face for the team.

I'm always open to suggestions, but these two work for me every time.–T.N., Ardsley, New York

MERILYN VS.

THE WORLD'S BEST AND BUSTIEST NATURALS GO TIT-TO-TIT WITH THE ONE, THE ONLY, MERILYN SAKOVA!

She has G-cup naturals on top of a 25-inch waist. She ran away with 2005 *SCORE* Newcomer of the Year and followed it up with 2006 Model of the Year. In only her third year of modeling, Russian sensation Merilyn Sakova is being proclaimed as one of the greatest naturals ever. But is she *the* greatest? To find out, we matched her up against seven of the best.

THE WORLD

THE CHALLENGERS

Linsey Dawn McKenzie
London, England
5'4", 122 lbs., 46-26-36, HH-cup

Nicole Peters
London, England
5'3", 126 lbs., 42-28-38, J-cup

Kelly Kay
Liverpool, England
5'5", 125 lbs., 42-26-36, F-cup

Devon Daniels
Jupiter, Florida
5'1", 110 lbs., 42-24-34, E-cup

Sammie
London, England
5'4", 120 lbs., 48-26-37, HH-cup

Sharday
Dallas, Texas
5'4", 140 lbs., 42-28-38, DDD-cup

Chloe Vevrier
Berlin, Germany
5'3", 129 lbs., 42-26-36, EE-cup

The matchup between Merilyn and Nicole Peters (above) is fascinating because of their similarly-sized and shaped breasts. Nicole's rack is slightly larger, but Merilyn's seems to be firmer. Notice how differently the girls' tits hang in these photos. The weight of Merilyn's hangers is also obvious in the comparison below with Devon Daniels, a superstar from the '80s. Who wins these matchups?

MERILYN VS. THE WORLD

Until recently, England was the world's capital of big naturals, but Russians such as Merilyn and Anna Song and Polish beauties such as Ines Cudna and Bea Flora have challenged its standing. Yet, in order to be the best, Merilyn is going to have to go through England, and her next British challenger is F-cupper Kelly Kay. Does Merilyn have the advantage over her young rival?

MERILYN VS. THE WORLD

This is the ultimate test for Merilyn: a comparison with living legend Linsey Dawn McKenzie, who is widely considered to be the greatest natural ever. Linsey clearly has an advantage over Merilyn in size and firmness, but are there other criteria that might give Russia's greatest the edge over the pride of England? Or does this photo comparison prove what we have suspected all along: that there will never be another Linsey.

Chloe Vevrier

There are reasons beyond her EE-cup tits that make Chloe Vevrier one of the most popular naturals ever. Her sexuality and sultriness, combined with her spectacular body and posing style, will forever brand her as a legend. Many have remarked that Merilyn's no-holes-barred posing style is similar to Chloe's, and here both girls open up in a position that wonderfully shows off their assets.

Sammie

The amazing Sammie Black is the equal of Linsey size-wise (they're both HH-cups), and she has the edge over Merilyn in quantity of boob meat. In this side-by-side comparison, we see that Sammie's posing style is friendlier and more playful while Merilyn emits raw sex appeal.

MERILYN VS. THE WORLD

Sharday just might be the greatest *SCORE* natural to ever come out of the United States (although she was born in Puerto Rico), and she stacks up surprisingly well next to Merilyn. Who wins this matchup? And how does your scorecard read in "Merilyn vs. The World"? Who is Merilyn better than? Who is better than Merilyn? BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

30 YEARS OF DOC JOHNSON

SCORE'S TOYMAKER GIVING GOOD VIBRATIONS

From humble beginnings, an old bastard named Doc Johnson has helped the world to relieve stress and tension. He's also SCORE's official toy provider, providing good vibes to many models, such as Ines Cudna and Crystal Gunns. Boob Beat spoke to Chad Braverman, Doc Johnson's Director of Product Development and Licensing, about the adult toy maker and its 30-year anniversary.

SCORE: How many vibrators would you estimate Doc Johnson has sold over the past 30 years?

Doc: That's hard to estimate, but it's a figure well into the millions.

SCORE: Do you have people test your products before mass production begins?

Doc: Absolutely. We test each product thoroughly. We won't release a product unless we're 100% confident consumers will enjoy using it. We use a diverse cross-section of people to test our novelties, and our testers typically know what types of products resonate best with consumers. It's not a focus group-type setting, and it really all depends on the product.

SCORE: How do you stay on top of your competitors?

Doc: The adult novelty industry has grown immensely since Doc Johnson launched 30 years ago, and products of every shape and size flood the market each year. Because we truly know our space and place a strong emphasis on research and development, we remain the recognized leader in the business. We dedicate a lot of our resources to develop the best materials and most cutting edge components on the market, which is why Doc Johnson has spearheaded just about every technologically-advanced product in the adult novelty industry. When Doc Johnson launched its patented Ultra Realistic 3.0 ® (UR3), the most technologically advanced rubber in the world scientifically created to mimic the feel of human flesh, we set a new standard. Then we raised the bar again with our most recent material, SilaGel, made with a non-toxic, latex-free formula and an unprecedented anti-bacterial compound. Additionally, our art team works endlessly to create innovative packaging that will resonate with today's consumers of sex products.

SCORE: One of your dildos, "The Great American Challenge," is 18 inches long. Is there really a demand for a toy like this?

Doc: There will always be something for everybody. Our Great American Challenge, the biggest dildo on the market, is actually quite popular in Europe.

SCORE: What have been your best sellers for men?

Doc: The three Palm Pals, pussy, ass and mouth. They're made from our realistic UR3 material I mentioned earlier. Another popular seller is the Men's Pleasure

If there's one model who loves vibrators in her pussy and asshole, it's Ines Cudna. Ines' website BustyInesCudna.com has toy play in 90% of her pictorials.

Meet Natalie, the newest *SCORE* magazine super-sensation, discovered during a busty model search. In this exclusive DVD, photographed in HD 6x9 format and playable worldwide, Natalie takes her 42-27-34 rack to Nassau, Bahamas and brings you into her bedroom for the kind of private encounter every breast-man lives for!

Wand, a toy that stimulates the prostate with a multi-speed, waterproof vibrator while massaging the scrotum and testicles.

SCORE: How about for women?

Doc: Our thousands of vibrators are by far our best-selling women's novelties. The Pocket Rocket and iVibe Rabbit are two of the most popular toys ever developed. Our Ultra Realistic 3.0 six-inch Cock is a big hit with women who like that life-like look and extra size.

SCORE: Is there a company archivist who has logged the history of the company?

Doc: We've been keeping records of products and Doc Johnson memorabilia since day one. It's amazing to look back to some of the first catalogs we ever launched and catch a glimpse of history. They're very retro, to say the least, yet at the time, they were considered cutting edge.

SCORE: Has the sale of novelties increased due to on-line sales and mail order catalogs now that people do not need to physically enter an adult shop?

Doc: The Net has increased sales and it's also forced the brick-and-mortar shops to upgrade and improve their appearance and inventory. People who will never walk into an adult shop will buy novelties online. These improvements have increased store traffic and sales dramatically. It's a win-win situation for everyone.

The Palm Pals are among Doc Johnson's most popular items 'cause you can stick your dick in 'em.

GIRLS LOVE SWEATY NUTTED MEN

Inhaling a substance in male sweat elevated the levels of a hormone in females and aroused them, researchers at the University of California at Berkeley discovered. The study was published in the *Journal of Neuroscience* and is direct evidence that humans emit a pheromone that influences the behavior of the opposite sex.

Previous research found that smelling the male chemical androstadienone affected women's moods and their sexual arousal. A derivative of testosterone, androstadienone is a component of male sweat, saliva and semen and has a musky smell, like that bath towel you just used to dry your nutbag.

BOOBALICIOUS MOMENTS IN *SCORE* HISTORY

SCORE was one of the sponsors of the 1999 Battle of the Showgirls at The Masters club in Myrtle Beach, South Carolina. Busty lap grinders Autumn-Jade, Bobbie Roxxs, Kaylee O'Toole and Phoenix K. tore up the beach and the surrounding areas in this packed-out Exotic Dancer event. There were some video guys taping the competition (tug of war, volleyball and more), but we never saw any of the footage. The videos are probably gathering dust on someone's shelf, a shame considering the busty battlers involved. Battle of the Showgirls was a worthwhile event and definitely a *SCORE* novelty.

BREAST TEST

Catherine McPhee, the runner-up of *American Idol's* fifth season, jiggled her boobs and let TV host Tyra Banks feel them on the air to prove that they are real.

"They're saying my boobs are fake, and I know that you have gone through this before," McPhee told Banks. "It really bothers me because it's something that's yours and people are saying it's not yours."

After McPhee gave permission, Banks squeezed McPhee's chest with both hands and declared, "They are real!"

See? Just get the okay first.

BUSTED

A rookie cop felt a woman's breast during a traffic stop in Pasadena, California and was caught because he stupidly used his own cell-phone camera to take photos of himself doing it.

The 22-year-old officer stopped a female driver and told her and a female passenger to expose themselves or he would jail them for drunken driving. He then took a photo with his hand on the driver's boob. He was charged with fourth-degree sex offense, second-degree assault and two other misdemeanors. A second woman has come forward with similar allegations. Guess he'll be looking for a new job fairly soon.

When groping a woman's boobs: A) make sure they're nice and big; B) get the okay first before you do it.

Nadine Jansen won *Voluptuous* magazine's 2006 Model of the Year because a lot of sailors voted for her.

ANATOMY AWARD WINNER

Congratulations to German phenomenon Nadine Jansen, winner of the 2006 *Voluptuous* Model of the Year contest. One of the greatest supernaturals of them all, Fraulein Jansen was previously 2002 Newcomer of the Year. The other winners of this title in past years are Nicole Peters, Kerry Marie and Sharday.

Nadine really doesn't need to reveal her amazing titties to make a comfortable living. She graduated with a degree in pharmacology in 2001, and she could earn an excellent salary in that profession. So all breast-men should be gratified for the fact that Nadine truly enjoys showing off her incredible natural gifts for the benefit of mankind.

Nadine's Model of the Year layout is in the June '07 issue of *Voluptuous*, a special awards edition. You can pick up a copy at eBoobStore.com or by phoning, toll-free in the U.S. and Canada, 1-800-421-0760. Elsewhere, the number is 011-305-662-5959.

SCORE GOES TO THE ADULT ENTERTAINMENT EXPO

Thousands of fans, dozens of legal and business seminars, so-called celebrities, wild parties and after-parties…yes, Las Vegas was the place for yet another crowd-pleasing Adult Entertainment Expo, held at the Sands Convention Center. It was "fandemonium," as the writers at *Adult Video News* like to call it.

SCORE Girls Daphne Rosen, Danielle Derek and Morgan Leigh were big attractions for two days of this craziness at the booth of *SCORE*'s North American distributor, Pure Play Media. The babalicious strap-snappers from the new DVD *Big-Tit Glory Hole* were spilling out of their tight tops to promote the over 100 *SCORE* videos now available at your favorite store. Their *Big-Tit Glory Hole* co-star Jade Feng was also planning to bust-out at the show, but she had to cancel at the last minute.

Although the number of big-bust stars continues to dwindle at this convention compared to the glory years of the mid-'90s, there was still a good turnout. Minka, Brianna Costello, Brandy Talore, Alexis Amore, Kianna Dior, Deauxma, Sara Jay, Kandi Cox, Carmen Hayes, Rebecca Love, Panther, Puma Swede, Taylor Wane, Ava Divine, Whitney Wonders, Friday, Alexia Moore, Whitney Stevens, Gianna, Lisa Sparxxx, Summer Leigh, Alicia DiMarco, Elizabeth Starr and Harmony Bliss, plus *Voluptuous* magazine stars Deja, Devyn Devine and Samantha, drew tit-men like sweet-smelling flowers attract bees.

Wild horses couldn't drag veteran *SCORE* magazine subscriber Jose Z. away from attending the Expo every year, and he emailed our office to say, "The *SCORE* booth was a big hit. I enjoyed seeing Daphne, Danielle and Morgan. I would have kicked myself for not going. I carry a backpack just for water, snacks, camera and video equipment. It helps me not miss much of the action. Overall, it was a good show." The next Expo will be held January 2008.

Brianna Costello (top) shows off her hangers, Deauxma destroys a tube top, and Morgan Leigh gets sandwiched by Danielle Derek and Daphne Rosen.

CLUB OWNERS EXPO TO CELEBRATE 15 YEARS

The Gentlemen's Club Owners Expo returns to the Mandalay Bay Hotel in Las Vegas for its 15th anniversary blowout. The dates of the show are August 27-30. (If you have a copy of the June '94 *SCORE*, you'll see that Boob Beat was there when the first Expo was held at the recently imploded Stardust Hotel.) Exotic Dancer Publications president Don Waitt expects the biggest turnout ever because the tradeshow Storerotica, geared for operators of adult retail shops, will also be held at the same time.

For details about the Expo, log on to ExoticDancer.com. Crystal Gunns reported on the 2006 show in the March '07 edition of her column, "The Gunns Show," with pictures of her and her posse (such as Chelsea and Jane in the photo below), and Crystal plans to do the same this year. Minka, Cindy Cupps and Kayla Kupcakes are also planning to attend.

In a letter to Scorecard, veteran Boob Cruiser David B. of Austin, Texas wrote: "I attended the Exotic Dancer Fan Fair this past August, and while everyone was very nice, the nicest as well as the prettiest models were *SCORE* models, in particular, Crystal, Cindy Cupps and Summer Leigh. As I discovered on two Boob Cruises, *SCORE* doesn't just have the most beautiful models, it has the nicest as well." Congratulations to our friend Jane for appearing as a topless guest on the Opie and Anthony show on XM radio.

Chelsea Charms, *SCORE* reporter Crystal Gunns and Jane Dior.

Two boob experts decide to produce the world's horniest and hottest big-breast challenge. They seek out five of the nastiest *SCORE* and *Voluptuous* magazine models and convince them to enter their horny contest. The dirty girls are pitted against each other in compeTITive cock sucking, fucking, tit-fucking and other fun-bag activities. Let the breast-sex games begin. Who will jiggle her way to the top? You'll be amazed at the dirty tricks and positions they pull to win the #1 spot.

April showers us with tits

A GIANT BOOB FRONT IS MOVING IN FROM THE NORTH. PREPARE FOR APRIL McKENZIE.

April showers bring May flowers, and September always brings us the all-naturals issue of *SCORE*. Each year, we search for a special new natural for this issue, and this year, we have a bunch. The first (and the bustiest) is April McKenzie, and her G-cup hooters stack up with some of the biggest of the big, natural or not. "I used to be shy about my body," April said. "But not anymore. I love my boobs!"

SCORE
DEBUT

April always wanted to show off her tits in a magazine, but she never knew a magazine quite like *SCORE* existed until she went surfing on the Net. "I'd heard of *Playboy* and *Hustler*, but I didn't know there were magazines for men who like big tits," she said. "I'm glad there are. My mother always told me, 'If you've got it, why not flaunt it?' I actually get offended when a man doesn't notice my tits. I'm like, 'Can't you see them? They're poking you in the face!'"

Bridge
City, 1938

The big news about April is that although she'd never modeled before visiting The SCORE Group, she's catching on fast. Her first hardcore boy-girl scene is in the works, as is a new full-length feature DVD that also stars Tera Cox (another of the great newcomers in this issue). And if you can't wait to see April in action, check her out in the members section of Scoreland.com. "I'm having the time of my life," April said. "I guess Mom was right. And I'm flaunting it!"

THE SCORE INTERVIEW

"Delotta's here and she's not going anywhere!"

With H-cup tits and a great ass, Delotta Brown can stay as long as she wants.

Interview By Dave Rosenbaum

Delotta Brown has it all. Do you like huge, natural tits? Delotta has H-cups. Like your **SCORE** *Girls slim-n-stacked? Delotta measures only 28 inches around her waist. Like huge areolae? Delotta has some of the biggest we've ever seen. Like big, round asses? Delotta's butt is so nice, it's being featured in the July '07 issue of* **BootyLicious** *magazine (on-sale now).*

By the way, Delotta also has a tight, pink pussy that's perfect for fucking. And we know you like girls who like to fuck. Delotta shows off her skills in the new DVDs **Bounce Baby Bounce** *and* **Ridin' Phat Asses.**

This 5'6", 144-pound package of fuckability comes from Atlanta, Georgia, and she's one of the hottest **SCORE** *naturals ever (the reaction to her debut pictorial in the April '07 issue proves that).*

And just when you thought Delotta couldn't get better, she has a damn fine personality, too. As you're about to find out.

SCORE: Hi, Delotta. I can see what you have a lot of. What do you have a lot of?
DELOTTA: As you can see, I have a lot of tits and a lot of ass.
SCORE: But we can't see your ass when you're sitting down.
DELOTTA: Do you want me to stand up? *[She does]*
SCORE: Whoa! Nice tits, nice ass. You stand up very well, Delotta.
DELOTTA: Thank you.
SCORE: You're obviously not just a big-tit model. You're a booty model, too. What is the best part of your body?
DELOTTA: Hmmm…my body! *[Laughs]* The whole thing. It's impossible to choose. It's flexible, it's got a beautiful hue. I've got a nice stomach, small waist, big breasts and a nice ass.
SCORE: Flexible? In what way?
DELOTTA: I'm double-jointed in the hips. Sometimes you'll hear my hips pop. I can roll back and I can straddle.

It's very helpful when I'm fucking. *[She demonstrates]* Did you like that?

SCORE: That's good. That's a good sex position, isn't it?

DELOTTA: For a small period of time, yes. It's a great invitation.

SCORE: When you have your legs spread and your butt up in the air, is that a good position for sex?

DELOTTA: It's good for invitations, yeah. An invitation for sex!

SCORE: And it's never been passed up, has it?

DELOTTA: Not that I can remember.

SCORE: What do you think most guys would say is the best part of your body?

DELOTTA: If he's a titty man, it's the titties. If he's an ass man, they love to hold my ass and sleep on my butt. That's definitely not uncommon. Most men enjoy the fact that I'm slender in the waist and big in the butt and big in the titties. They like that whole ensemble.

SCORE: It's unusual.

DELOTTA: And also that I have no kids, so I'm keeping my body intact.

SCORE: How soon after you meet a guy can you tell whether he's a tit man or an ass man?

DELOTTA: Probably the second he says, "Wow! What size bra do you wear?" *[Laughs]* Or, "Ooops, I'm sorry!" He'll brush up against my tits or my ass.

SCORE: That's so cheesy, isn't it?

DELOTTA: It's cheesy, but it's a great icebreaker. I wouldn't recommend it for everybody because some people can get slapped.

SCORE: What gets a guy slapped?

DELOTTA: Just the whole disrespect issue. If you're disrespecting the chest, go home with all the rest! *[Laughs]* Brushing against me is an easy cop-a-feel, and if you catch me in the wrong mood, well, let's not talk about that! Buy me a drink first, then we can talk about my breasts and my ass.

SCORE: But guys should have a little respect, right? Let's say you are at a bar, and a guy buys you a drink. He shouldn't be…

DELOTTA: "Hey, can I feel your boobs?"

SCORE: Right! And grabbing your ass. That gets done a lot, too, right?

DELOTTA: It gets rubbed on. My ass does get nice attention. Guys like to rub and oil my butt.

SCORE: But we can't do that the first time we meet you, can we?

DELOTTA: No, but if we're in a bar talking, I wouldn't mind a hand on my ass, just for the warm sincerity of it. A nice little squeeze never hurt anybody.

SCORE: Have you ever just hauled off and hit a guy for doing something like that?

DELOTTA: Yes. Stepped on his foot, cracked him in the nuts and knocked him in the face. He was really being rude to me.

SCORE: I bet he'll never do that again. You taught him a lesson. A girl like you, yeah, you have big tits and we wanna play with them. Yeah, we wanna spank your ass. But we have to do a little lead up first, right? A little foreplay.

DELOTTA: Yeah! You gotta do like the peacocks do. Show the feathers. Make me interested. Then you can get a lot further. You can't be too eager. All good things in good time. And I have two good things.

SCORE: More than two!

DELOTTA: Yeah, I do.

SCORE: Well, let's be respectful. Let's not start with your tits and

your ass. Let's start higher. You do have very pretty eyes.

DELOTTA: They're brown. All I wear are regular contacts, no color.

SCORE: Now, as I work my way down, guess where I'm going next?

DELOTTA: My lips?

SCORE: How'd you guess?

DELOTTA: Because they're cock-sucking lips! *[Laughs]*

SCORE: Has a guy ever come up to you and said, "Wow, you have great blow job lips"?

DELOTTA: *[Laughs]* I actually have had someone say, "I bet your lips would look really good around my cock." And I said, "I bet they would."

SCORE: Did he ever find out?

DELOTTA: I don't remember. That was a while back. Probably. And my lips do look good around a nice, hard cock. I've seen them in the mirror when I've been sucking a cock. Especially when I wear lipstick. My lips with red lipstick look really good around a hard cock.

SCORE: Let's go down to your boobs. They're rather large. Can you pop one out for us?

DELOTTA: Sure. How about both? *[She does]*

SCORE: Wow! We have a lot to talk about!

DELOTTA: That's why I'm alotta Delotta! I'm a 34H. I have a small body except for my boobs and my ass. I think my boobs are extra special. My ass is nice, but my boobs are out of this world.

SCORE: So if you're a 34H, you're 44 inches all the way around to the tips of your nipples. Your tits are huge!

DELOTTA: Guys like them. I've never had any complaints. A lot of guys like for me to smother them with my titties. I like doing that.

SCORE: And they're natural, right?

DELOTTA: Absolutely. One hundred percent. *[She slaps her tits together]*

SCORE: Can you suck one?

DELOTTA: I can suck both!

SCORE: At the same time?

DELOTTA: Sure, but it's gonna mess up my lipstick.

SCORE: That's okay.

DELOTTA: Sacrifices! *[She pushes her tits together, lifts them and sucks both of her nipples, making a loud slurping noise when she releases them]* See?

SCORE: Pretty impressive. And your areolae are huge, too.

DELOTTA: Yes, they are.

SCORE: Maybe the biggest I've ever seen, including Cindy Cupps'. Definitely the biggest on a natural *SCORE* Girl.

DELOTTA: I think my nipples are prettier when they're fully erect. *[She sucks on one of her nipples to make it erect]* See?

SCORE: There are women whose boobs aren't as big as your areolae.

DELOTTA: I do believe so.

SCORE: Your areolae alone might be a B-cup.

DELOTTA: They're about the size of my palm. I can do a lot of fun stuff with my boobs, too. I can hold things between them and under them with no hands. They're great for titty fucking. I can slap you with one, but they're quite heavy. They can hurt you if I hit you too hard with them. And I love when men suck on them. A guy can suck on them for a half hour and I'd be happy.

SCORE: Do you generally dress to show off your boobs?

DELOTTA: It depends on my mood and where I'm going. I don't go to a grocery store in a halter top or a really tight bra. That's not me. I'm a regular T-shirt type of person. But when I go out at night, like for a nice dinner or to a club, I definitely let the cans flow.

SCORE: I imagine that even in a T-shirt, you're pretty impressive.

DELOTTA: I can be in a small shirt.

SCORE: Well, let's move down to another body part.

DELOTTA: What do you have in mind?

SCORE: I'm thinking one of two places, but let's go to the front first. Let's go to the pussy.

DELOTTA: I don't shave my pussy. I wax it. *[Takes off her panties and spreads her pussy]*

SCORE: So you're usually hairless?

DELOTTA: I don't usually go completely hairless. I like the low-cut buzz. I don't like the furry bush. If I can grab my hair with my fingers, it's too long. And my pussy is very pink. *[She shows it]*

SCORE: I would call it shocking pink. But let's face it: black girls have the pinkest pussies.

DELOTTA: It's all color contrast. Our pussies look pink because our skin is dark. That's why Latin girls have really pink pussies.

SCORE: Well, we got to see your pussy. Thank you.

DELOTTA: And would you like to see my ass now?

SCORE: Definitely.

DELOTTA: *[Turns around and slaps her ass]* Okay. May I present to you, a lotta Delotta's derriere. *[Slaps her ass again]*

SCORE: Do you like having your ass slapped or spanked?

DELOTTA: Yes. I can take a spanking.

SCORE: Hard?

DELOTTA: I can take a spanking.

IS AUTUMN-JADE TRYING TO AVOID THE LONG LINES IN THE GIRLS BATHROOM? OR IS SHE JUST A LITTLE BIT KINKY?

"I guess I'm just a little bit kinky," said Autumn, our favorite I-cup natural from Huntsville, Alabama. "I've always had a fantasy about dressing up like a man and seeing what goes on in the mens room. But I'm positive my boobs would give me away."

"I always get a little wet when I walk past the mens room," Autumn said. "I can imagine all those nice cocks dangling out of the guys' pants. Sometimes I get the urge to go inside and surprise them. I want to jack them off and let them cum all over my tits. I sometimes wonder what goes on in the stalls. Do you guys sit there reading dirty magazines and jacking off? I hope so! That's what I would do if I had a cock."

"I like to be where men have been," Autumn said. "I like the smell. I like putting my body where a man's body has been. I've never had sex in a mens room, but I'd like to. I've seen it in the movies, and it turns me on. I'd like to lay on the floor and let a guy fuck my pussy. I'd like to bend over and let him take me from behind. I guess I'm a naughty girl."

BEA
GONE
WILD!

YOU HAVEN'T SEEN ALL OF BEA FLORA. UNTIL NOW.

"I do not think I am ready to do the kinds of sexy poses with my legs spread," Bea Flora told us when she made her most recent appearance in the September '06 issue. "But I love to tease." Bea can get away with teasing. As these photos prove, she's one of the most beautiful and sexy girls ever to appear in *SCORE*. But about that "legs spread" comment...turn the page.

Some girls don't have the ability to tease us. After all, we've seen them shoving dildos in their pussies and sucking and fucking real cocks. But, more than two years after making her *SCORE* debut, Bea still has the ability to make our dicks rise with the photo to the left. Did she realize that she was exposing her pussy and asshole for the first time? "I do not know what you are talking about," Bea said coyly when we asked her the question in a more mannerly way. But then she smiled. And then she ran her hand over her crotch. And then she said, "Did you like it?" And then she smiled again.

Seven Summits

His goal was to fuck the biggest naturals on every continent. But it wasn't going to be easy.

Intolerable! As a big-tit lover, I have to rant. Who voted in that ridiculous online poll for BestBigBoobsContest2007? Certainly very few people with half a brain or clear eyesight. That idiot running the website should be shot! He claims he got 50,000 votes? Bullshit. How'd Nadine from Germany not make it? And who's this Greta Nann from Norway? She's barely a triple-D, and I don't think she's even natural, which is what that bogus contest was supposed to be all about.

That does it! I've started this blog to let real boobmen follow along on the greatest expedition since Lewis and Clark. I've withdrawn my savings, quit my job, even broken up with my girlfriend. I have bought a new laptop and plan to travel the world, bringing my readers the best of the naturally big-boobers.

My rules are simple. I will track down the girl with the best natural rack on all seven continents and fuck those titanic titties with my very own cock. Just like Sir Edmund Hillary and Admiral Byrd, I plan to climb the world's largest mountains and leave my mark on those glorious twin peaks! I shall conquer the Seven Summits, even if it kills me!

Tuesday, May 29th, 5:19 p.m.

After poring over my collection of *SCORE* magazines, I decided to stick close to home for my first venture and settled upon Sharday. I'd written her when she first appeared in *SCORE* in 2001 and then gone down to Texas to see her at a club. I'd stayed in touch, and when I told her I was going to embark on a project that would require some in-depth research into the best jugs in North America, she suggested we go out for lunch. Naturally, I agreed.

When I got to Sharday's place, I had a bottle of wine in tow, which made her giggly, because she had packed a picnic lunch. Her idea of going out. So we hiked a ways into the woods and set out her red and white blanket with the symbol of the Lone Star State in the corner, and she asked me what I needed. We popped the wine, and I told her about the stupid online contest and my goal to compile my own world's-greatest list.

"You really think these are the best in the U.S.?" Sharday asked, lifting her skin-tight halter top and exposing those magnificent melons.

I nearly choked on my wine. Sure, I'd seen her dance before, but that was up on stage, with a crowd of horny guys practically jizzing in their pants while she waggled those whoppers to grinding dance tracks. Here, a foot away from my hands…and face…

"Nope, on the Continent," I corrected.

Sharday pressed her arms against her tits, making them jut out farther. Even the ants stopped to see what had caused the solar eclipse.

"Amazing," I stuttered, gulping down my wine. "I bet any guy who gets to tit-fuck those babies is one lucky dude."

Sharday frowned. She sagged, but those all-natural hooters did not.

"Nobody's gotten lucky in a while," she confessed. "Dry spell."

"Them? You?"

She nodded. I found it hard to imagine Sharday without a line of guys beating down her door. She guzzled her wine, and I poured a refill.

"Yup," she told me. "I think most of them are intimidated. The rest are jerks."

I handed her the glass. What was that, her fourth already? The bottle was rapidly being emptied. Sharday hiccuped and spilled some wine onto her right boob.

"Eek!" she squealed, embarrassed.

I quickly grabbed a napkin and proceeded to wipe up the mess. Good god! Her tits were the biggest and firmest I'd ever felt. They were like water balloons filled to capacity, jiggly and 100% real. While I dabbed at her tit with the napkin, her nipple darkened and swelled noticeably. Was she turned on?

"Oohhh, that feels nice," she said,

Seven Summits

arching her back and shoving her boobs even farther forward. I swear, I heard two ants have heart attacks before they could reach the potato salad. I decided to take the plunge. Sharday's eyes were closed. I moved closer and closed my mouth over her wine-stained nipple.

"I think it's getting sticky," I said. "This should get it off."

If she was going to object, I thought, now was the time. But she didn't object. I reached out, cupping both of her enormous mams in my hands and giving them a thorough fondling. Her taut boobflesh throbbed beneath my fingers. I shifted my mouth to one tit and went to work on it, pinching her one, damp nip with gentle teasing.

Sharday obviously loved the foreplay. The deeper she breathed, the more her tits rose and fell. She shifted to face me, and I saw for the first time that her short-shorts were what I like to call "ready like a cordial cherry." Wet at the creamy center. I shuffled forward, rolling Sharday onto her back. Her melons rose like the Grand Tetons, and I worked her shorts down her thighs in record time.

Sharday had worn no bra nor bothered to don panties for our picnic, making eating her out quite easy for me. I buried my face in her fragrant snatch and tongue-lashed her clit until she was writhing in anticipation, desperate to get off. Just before she came, however, I pulled my nectar-soaked lips away from her pussy and pressed my cock into her love nest. *Would she stop me?* I wondered.

She didn't. Instead, she cried out "Yes!" with the genuine desperation of a hot babe who hadn't had any dick in quite some time. I slipped into that warm, tight gash and felt Sharday's pussy muscles take control.

We fucked like that for only a few minutes. Sharday, who had been on the verge of cumming when I ate her box, had her first orgasm, then recovered and kept going. But then she wanted to get down on all fours and take my cock from behind. Sounded good to me. Sharday got down on her hands and knees and looked over her shoulder at me, her boobs resting on top of her picnic basket. She wiggled her ass back and forth, and I plowed into her, making her grunt with appreciation.

While I banged Sharday, those behemoths swung, causing the top of the basket to give beneath their weight. I pounded away at Sharday doggie-style, reaching around and exerting myself trying to corral her boobs. It was impossible! You couldn't control those things! And I could barely control myself. I was fucking Sharday! To a big-tit lover like me, that was like what conquering Mount McKinley would be to a climber.

I was nearly spent, and I think Sharday could sense it. When I started losing my rhythm, Sharday ground her fleshy ass into me and then allowed my cock to slip out while she rolled over. She edged forward, putting her legs between mine and positioning her mounds beneath my meat.

"C'mon, this is how you wanna finish, isn't it?" she asked, a playful look in her eyes. "Aren't you supposed to cum on my titties? And it's been so long since I've had a guy fuck my boobies."

I pressed my sloppy prick, Sharday's twat juice lubing it, into her deep cleavage canyon. She held her tits together, closing the boob tunnel around me. Glorious! I'd fucked a lot of girls' tits before, but this wasn't anything like that. Sharday's gigantic jugs caressed every inch of my prick. I couldn't even see my cockhead poking out from between those big tits of hers. And then, finally, I couldn't resist any longer. My cock gurgled and began spitting copious shots of hot, white jizz into her sweet boob valley.

Stairway to Anna

WITH *TWO* WORDS, ANNA SONG CAN GET WHAT SHE CAME FOR.

The two words are "Fuck me," and no man can resist. "I've actually gone up to a guy and whispered that in his ear. In Russian, of course," said E-cup Anna, one of the finest natural finds of this decade. "I was horny, but I'm always horny. I'm the horniest 20-year-old I know. Even after I get it, I still want it!"

Anna might love to fuck, but there are a bunch of *SCORE* readers who think she got fucked over in the 2006 Newcomer of the Year contest. The award went to Morgan Leigh, even though Morgan appeared in *SCORE* in 2000 and, technically, was not a newcomer. Physically, however, we decided that she was, and Anna came in second. "That's okay," Anna said. "Awards don't mean anything to me. I am having fun in my new career as a model for *SCORE* and *Voluptuous*. That's all that counts."

Anna always seems to be having fun, whether she's sucking on her nipple or stuffing her pussy with toys in the new DVD *Cum Along With Anna Song*. "I love being naked," she said. "I love playing with myself and playing with men. I love feeling pleasure and giving pleasure. I can sit around for an hour sucking on my nipple." And we can spend days watching her. "Okay!" she said.

SEVEN SUMMITS

Continued from page 62

Sharday shook her tits while I lathered them with cum. When she pulled her breasts apart, I finished, the last of my discharge landing on her belly.

After cleaning up, I poured Sharday another glass of wine, and we finished eating. The picnic basket was pretty mashed, but the food inside had come through okay. Before Sharday walked me back to my car, she asked me, "So, how different was it?"

"Different?" I asked. She smiled broadly at me.

"Fucking the best tits in North America?" she said, smiling.

I gave her my honest answer. It had been the best sexual experience of my life. She made me promise to share it on my blog. That was a little over an hour ago. My dick is still tingling, and every time I think about her unleashing those knockers…

Well, I kept my promise. One down, six to go. I have a flight booked for Friday that takes me to South America, where there are a few Latina beauties who I've had my eye on for a long time. But a certain model will be in Sao Paulo during my three days there, and if all goes well…

You'll find out as soon as I boot up.

Saturday, June 2nd

A tip from a friendly local pointed me to Azucar, a trendy nightclub on Rua Mario Feraz, a few blocks from my hotel in Sao Paulo. Last night, I set out for the nightclub and the model who best represents South America when it came to gargantuan natural gazongas.

I spotted Luma from the bar. How could anybody *not* spot her? She was shaking her thing on the dance floor along with two other gorgeous specimens: bronze-skinned, black-haired goddesses with beauty contest features. But neither of Luma's gal pals had her world-class rack, and no man could miss her in that tight, red dress.

"Sylvia told me to say hello," I said to her over the loud, samba music. Luma had come to the bar for a drink. Mineral water. I threw down some money.

"Sylvia?" she asked.

"Panda," I replied. Her face lit up.

"You know Sylvia?!"

I winked. I write a lot of fan letters,

Winter Morgan

SHE'S RED ON TOP & A HELLFIRE DOWN BELOW!

"My sexual fantasy is to have two men at once. Or a threesome. Or a foursome!" said Winter Morgan, a professional photographer who's taking a turn in front of the camera for a change. "The more the merrier, right? That way, I can have one in my mouth, one between my tits, one in my pussy and maybe one in my ass. I'd really love to be stuffed full!"

SCORE DEBUT

Winter was born in Southern California and lives in Boston, Massachusetts, where she's been unable to find the right two, three or four men to help her live out her fantasy. "I go to a lot of hockey games," Winter said. "I like watching the Boston Bruins. I've thought about trying to sneak into their locker room, grabbing a few players and saying, 'Take me!' but I'm really not that type of girl. If I'm going to do something really kinky, then I need a normal guy who likes to do kinky stuff."

buy a lot of autographed photos, have every picture ever published of my faves. A signed Sylvia Panda pic hangs in my bedroom.

We small-talked about Sylvia, *SCORE*, when Luma might pose next, if she was going to come to the States anytime soon. Then I told her about my project.

"So, you're here to see Sylvia?" Luma said. "Is she in town?"

I shook my head. Luma flushed with embarrassment.

"Me?" she said.

I nodded. Her excitement flushed her nipples hard into the fabric, and her dress was stretched nearly to bursting. I could just about hear the sounds of her bra straps struggling to contain those 36E cannons. Luma asked me what the project entailed, and I told her that I'd like to get a few pictures of her, on her native soil, for my blog. Luma thought about it, then told me that she was planning to drive into the rainforest the following afternoon, and would I want to bring my camera along?

"It's a date," I told her.

Sunday, June 3rd

Luma drove, and we hit the road in her Jeep right around noon. She looked like Lara Croft in her khaki shorts, white T-shirt and too-tight beige vest. Apparently, she knew her way around because she weaved the Jeep through snaky little dirt roads and unmarked tracts until we were literally surrounded by jungle.

"How's this? Nice?" she said.

"No snakes, right?" I asked her, though the snake in my own khaki shorts was begging to be let out. Luma's rack had been jiggling quite a bit during the bumpy ride.

Luma laughed and hopped out, then moved around to the front of the Jeep. She sat on the bumper, between the headlights. She spread her knees, and her shorts rode deep into her crotch. Peeling off her vest and laying it on the hood of the vehicle, she thrust her boobs forward, pulling the white cotton underneath her breasts, their weight pinning it there. It looked like the T was painted on. I popped the cap off my digital camera and started snapping.

"How about, uh, some without the shirt?" I suggested. Luma puckered her

"DO YOU WANT TO SUCK ON MY HARD NIPPLES?"

Natalie isn't just wondering. "One of my fantasies is to have sex on a beach," said the DDD-cup beauty who made her worldwide debut on the cover of the April '07 issue. Natalie had plenty of opportunities to live out her fantasy when she was in Nassau, The Bahamas for the filming of her new DVD *Naughty In Nassau*, but instead, she decided to put on a naughty show for us.

NATALIE
FIORE
in
Nassau

You can see Natalie wearing (and not wearing!) this very bikini and frolicking in the water in *Naughty In Nassau*. You can also see her popping out of undersized bras, playing with herself in the backseat of a car after she gets picked up hitchhiking, bathing, sucking on her nipples and more. We even get to see Natalie shopping and showing us around the island. She's one hot tour guide!

"I had a wonderful time making my video," said Natalie, who traveled from Paris, France for her first magazine and video shoots. "It was so much fun going to all the different places and trying on so many sexy outfits, like that beautiful bullet bra. But this was my favorite scene. I felt so sexy and naughty getting naked on the beach. It was very secluded, but anybody could have walked by and seen me." And what if somebody had? What if Natalie's fantasy man had walked by? "I was feeling very sexy, so I might have had a hard time resisting. I usually don't say no!"

lips and batted her big, brown eyes.

"Just the shirt?" she teased.

I gulped. Luma stretched, crossed her arms and slowly tugged the shirt over her head. She bit her lip and held it in place while I took shot after shot. My boner was excruciating.

Luma stood, turned around and undid her shorts. She pushed them just a few inches down her hips, exposing the top few inches of her gorgeous, round ass. When she bent at the waist to slide the shorts over her work boots, she took her panties down with them, exposing the slender, pink line of her muff. Her bare ass and that glimpse of pussy almost made me drop my Nikon.

Luma strode to the edge of the clearing into which she had nosed the Jeep and tore a fresh banana from a tree. She hopped up onto the hood and peeled the banana suggestively. When the fruit within was exposed, she proceeded to take a good seven inches of it down her throat. My knees began to tremble.

Luma slowly dragged her lips up the white shaft of the banana, now shiny and slick with her saliva. She pressed her lips into the upper portion of it, and when she removed the ripe fruit from her mouth, the tip had been shaped into an unmistakable phallus. Luma pursed her lips, and frowned.

"A little too soft," she said.

She discarded the peel and held the banana between her boobs. When she squeezed them together, the banana came out the worse for wear. It was rapidly losing its shape, mashed between her enormous knockers.

"See?" she said, pouting. "I need something harder."

To hell with the Nikon! I could charge another one when I got back to the city. I dropped the camera and practically lunged for her, grabbing her tan globes in my sweaty hands. Luma lay back on the hood, wrapping her legs around me and pulling me on top of her. She had ground the banana to pulp between her cans, and I scrambled to get out of my shorts. Luma grabbed my throbbing prick in a hand coated with mushy fruit.

The gooey banana felt good on my shaft as I nudged it between Luma's pendulous hammers. She cooed from the sensation while she played with her own nipples, sticky and fragrant. While I

plumbed the depths of her cleavage, she licked pulp from her fingers and shared some with me. I'd never tasted a banana quite like it, but out here in the jungle, with nobody around for miles and only monkeys watching, everything seemed different, more intense. My nuts felt like somebody had short-sheeted my scrotum. Luma obviously noticed because she grabbed a hold of my balls and extracted me from between her huge jugs to observe.

"They're so big and full," she remarked, that Spanish accent sending chills up my spine. "Sooo full. And it's all for me?"

I nodded. Luma scooped up some banana pulp and slathered it all over my cock and balls.

"C'mon up here," she instructed, urging me to clamber farther up her body. "I want to taste."

My cock dangled in front of her face for just a moment before Luma split her lips and engulfed my head. She sucked the banana off my dick, working her way down my shaft, all the way to the root. When my entire prick had disappeared down her throat, she opened her mouth even wider, allowing her tongue to snake out and lap up the banana cream glazing my balls.

My head swam. Luma continued to deep throat my cock, gently kneading my nutsac. I rocked my hips, slow stroking her mouth with every inch of my manhood. Luma's fingernails caressed my thigh, and I began to feel that sensation in my gut that warned of impending release.

"Luma," I told her. "Luma, I'm gonna cum in your mouth."

"Mmmmmmm," she hummed, leaving my cock in her mouth. She patted my swollen nuts. "All for me, all for me."

That was it. I thrust into Luma's mouth until the tip of my dick scraped the back of her throat and unloaded a river of seed. Luma was unbelievable. She swallowed and swallowed, and still, she kept sucking. More and more ball sauce spurted out of me, my prick twitching and spasming as she worked my balls, sucked my pole, tongued my shaft. Before I was entirely done, Luma released me, and I had to lean back or collapse on top of her. I supported myself on my arms, jizz still leaking out of my dickhead. Luma opened her mouth, showing me a tongue coated with love lava. She swallowed the last of it, my still-hard dick coming to rest atop her left

tit, a leaky dribble of cum oozing onto her nipple.

"Sylvia is going to be so jealous!" Luma said, scooping up the last of my cum and the banana that had been pulverized by my tit-banging.

"Because you beat her out for the best boobs on the continent?"

"Not just that," Luma said, grabbing my shaft and stroking it softly. It started growing hard again in her fist.

"Oh, she's going to be really, really jealous," Luma said.

Maybe, I thought, I could make it up to Sylvia someday. If this trip didn't bankrupt me, I would definitely come back to Brazil.

Snakes? Who cares about snakes? I had conquered South America.

Friday, June 8th

Heathrow Airport was a nightmare, the ride to the hotel nearly endless. Then, jet-lagged and unable to update my blog or check my email for nearly 24 hours, the first thing that happens at the hotel is that my phone was ringing off the hook. All the desk manager would say was that there was some sort of "disturbance" in the lobby, and I needed to come down to address it.

A disturbance? For me?

Imagine my surprise to find, standing there by the desk, getting all sorts of stares, Merilyn Sakova (who I expected later in the day) and Nicole Peters! They were arguing about something, but from the elevator doors, I couldn't make it out. Seeing the possibility for this to get out of hand–there wasn't a man in the lobby not staring, dumbfounded–I quickly ushered the two slim-'n-stacked natural wonders upstairs.

In my room, the argument continued, and now, I knew what it was all about. I had mentioned on my blog that Merilyn was perhaps the gal with the best pair in all of Europe, and Nicole had found out what hotel I was staying at to see about setting me straight. Even now, the girls were fighting over it with Merilyn lifting up her G-cuppers (as if that were necessary!) to prove her point.

"Russia shouldn't even count as part of Europe," Nicole screamed.

"Well, it is," Merilyn screamed back as her knockers bounced free.

Undaunted, Nicole wasted no time, yanked off her shirt and slapped her hands on her hips, giving her unfettered cantaloupes a shake in the stunned

Ines Gets Naughty

SHE CAN BE A SWEET AND INNOCENT POLISH PRINCESS. OR SHE CAN BE A VERY BAD GIRL.

Two years ago, Ines Cudna shocked the big-tit-loving world with her pictorial in the September '05 all-naturals issue. Dressed like a cheap hooker in blue fishnets and a red wig, the Polish beauty smoked cigarettes, drank wine and showed us that even classy chicks can be slutty and smutty. Since then, we've revisited the classy side of Ines (July '06) and the smutty side (Holiday '06, in a girl-girl with Linsey Dawn McKenzie). Well, guess what, *SCORE* Men? She's going smutty again!

This is Ines as you might see her if you went out on a date with her and she was really horny. The heavy makeup. The EE-cup naturals straining to escape from a bra that's obviously a few sizes too small. The look of lust in her eyes. "I get that way sometimes," Ines told us. "I just want to be a dirty girl and live out all of my dirty fantasies. Usually it doesn't last long. Usually I just take out my favorite toy and play with myself until I'm back to normal. But if you catch me when I'm feeling dirty, there's no telling what I'll do!"

Here we have Ines spreading her pussy and making her asshole gape. She is practically inviting you to take out your cock, oil it up and shove it deep into one of her orifices. But then, you're probably thinking, *I thought Ines wasn't that kind of girl. I thought she was practically a virgin.* Well, go ahead. Think whatever you want. And, in all honesty, whenever we probe Ines about her private sexual life, she always blushes and hesitates to talk about it. But do know this: When Ines gets horny, she gets *very* horny. "I have a lot of toys at home," she said. "And I have this terribly naughty fantasy about being taken by three men at once. I'm satisfying all of them with every part of my body that I can satisfy them with, all at once. You know that cheap street girl you showed the readers a few years ago? I can be that girl." So here's the deal, *SCORE* Men. If you're reading the International edition of this mag, turn the page. You're in luck. Ines is living out her fantasy with toys. And if you're not, back issues are now available.

Russian's direction. "Go on, grab one, see for yourself!" Nicole dared.

Merilyn did, appreciating Nicole's gigantic jug, but she remained unconvinced and unbuttoned her own top to let her bra-restrained breasts thunder into view. She reached behind her back with some effort and unclasped her bra. Her knockers flopped out, firm and fierce. Merilyn slapped her right tit, grabbed Nicole's hand and placed it on her boob.

"You see?" Merilyn asked, though a guy with 20/5000 vision could have seen that boobmeat across a crowded room. For a minute or two, both girls fondled each other's tits, and I couldn't help but see the pink rising in their cheeks…and their puffy areolae. Before I knew it, the pair were mashing titties, grinding their nipples against each other and looking none too argumentative any longer.

When Merilyn took one of Nicole's fired-up nips in her mouth, I gasped. Whilst the girls had been fighting, I had stripped off my shorts and sat on the bed, stroking my rapidly-hardening cock. Seeing Nicole return the favor, each girl with a mouthful of boob simultaneously, had me stiff instantly.

This was going to be tough, picking one of these two super-boobers. Nicole drooled all over Merilyn's creamy breastflesh, and Merilyn was unbuttoning Nicole's pants while receiving the love. Before long, both of the super-stacked hotties were rolling around on the carpet in front of my bed, almost oblivious to me sitting there with a fistful of throbbing cock and at the ready.

When they did notice me, they quickly shot to their feet. Their wet pussies were clearly evident, and I thought I could see Merilyn's sticky fingers smearing Nicole's love lube onto her hip. In an effort to impress me, both girls squeezed their boobs together and pressed them to my face, bowling me over. My God! A man could suffocate under the weight of those monstrous fun bags! It'd be a great way to go, I thought, but I wasn't ready to die just yet.

I rose and told the girls I wanted a better vantage point. I directed them to their knees so I could see the view from above. As I stood in front of them, neither girl could keep her hands off my shaft and balls, and they eagerly worked my pole

closer to the breaking point. Nicole's slender hands swiftly stroked my bone while Merilyn cupped my balls and seductively licked up the growing number of pre-cum beads rising out of the tip of my cock. Nicole took the hint, and soon she and Merilyn were lapping the length of my shaft like it was a popsicle. When they met in a wet, sloppy kiss that engulfed my cockhead, I could refrain no longer. The time had cum!

With scarcely any warning, I erupted. A hot volcano of man-seed sprayed the girls' lips and tongues. They wrestled with my jerking dick, Nicole first aiming my cock at Merilyn and then vice versa when Merilyn gained control. Jizz and saliva conspired to slicken my prick until neither girl could hang onto it with their slippery hands, and I showered geyser after geyser of load all over their trembling cans.

Drained, jet-lagged and feeling particularly dehydrated, I collapsed onto the bed. When Merilyn sprawled beside me, Nicole joined us.

"Well," Nicole asked. "Which one of us is it?"

Both Nicole and Merilyn looked at me expectantly. They fluffed up their tits as if to make a final plea. I sighed, closed my eyes and told them that I would have to sleep on it. But if they wanted to stick around for a while?

I hadn't planned on conquering two summits in Europe. Need I tell you how much room service for three for the entire weekend cost?

And by the way, it really didn't matter whose tits were bigger. I had conquered two of the biggest peaks in Europe. The measuring tape be damned!

To everybody reading my blog, help!

My flight landed in Afghanistan at the Kabul International airport, where I've been arrested by Customs. All I have is my satellite phone to text this blog entry to my site. I'm supposed to meet up with Ariana but have no way to get in touch in her. Somebody, please, contact the guys at *SCORE*, the State Department, anybody! I only have 36 hours to explore the best natural tits in Asia!

Gotta go. The guards are coming toward me in a hurry, probably for my phone. Do something…fast! I still have four continents to conquer.

DELOTTA BROWN

Continued from page 44

SCORE: You're very mysterious.

DELOTTA: *[Laughs]* Actually, when I used to dance, Mystery was my stage name. You can never really figure out where I'm going or what I'm going to be doing. What kind of personality I'm going to have that day.

SCORE: Well, here's the deal, guys. If a girl can call herself Mystery and still get hit on, she's hot.

DELOTTA: Either that or the guys are crazy! But I used to get a lot of questions like, "Why Mystery?" But now it's Delotta Brown. Delotta's here, and she's not going anywhere. But I like leaving something to the imagination. Leave you wanting more because I know you want more.

SCORE: Let's talk about sex. Do you like women?

DELOTTA: I've had sexual relationships with women. I'm down with it. But I prefer men because they're easier to date. I tried to date a woman before and it was really kind of hard.

SCORE: You mean people's reactions?

DELOTTA: Yeah, and just trying to get over the whole fact that I had a girlfriend, not a boyfriend. It's a weird transition, but now I just have threesomes. Me, a guy and another girl. This guy I've been fucking has too much stamina, so it makes a lot of things easier for me to have another girl around.

SCORE: I've never heard a woman complain about too much stamina.

DELOTTA: Yeah. But it's good because now he has two sets of tits to play with. Two asses, two pussies, two mouths. When he's ready to fuck, there's always somebody ready for him.

SCORE: Does the other girl you've been bringing to bed have big tits, too?

DELOTTA: No, she's kind of small, but she's got a nice, round ass, and she's got some hellacious lips.

SCORE: On her mouth?

DELOTTA: No, I'm talking about her pussy lips. She's got some real big pussy lips. She can tie them in a knot. I like that. When I first met her, she bent over and I was like, "Wow!"

SCORE: Are you better at sucking cock or eating pussy?

DELOTTA: *[Thinks]* I plead the fifth! *[Laughs]* I like getting my face messy with pussy, but I also like to be choked a little bit.

SCORE: Choke yourself or have someone else choke you?

DELOTTA: I like to choke myself.

SCORE: On cock?

DELOTTA: Of course on cock! Can you choke yourself on pussy? *[Laughs]* I like to force it down my throat and see how much I can take. But I'll gag myself. I don't need somebody to gag me.

SCORE: How much can you get down?

DELOTTA: I can get pretty far.

SCORE: Have you ever met a cock you couldn't handle?

DELOTTA: Yes! There has been a cock I couldn't handle. It was huge. I don't know how big it was, but it was really big. You see the width of my forearm? That was his radius. His length was normal, and he had a short head for insertion, but the rest of him was nothing but solid meat. But I stuck it out and took it in. I'm a contender.

SCORE: Are you a competitive person?

DELOTTA: I like to be first, but I know I'm not always going to be first. When I do something, I like to do it all the way, like sucking cock. I'm a perfectionist. I'm a Virgo, so I want things how I know they should be.

SCORE: How about personally? Will you ever go outside not looking the best you can look?

DELOTTA: Oh, yeah. I'll go down the street in some flip-flips and hair rollers, and I really won't give a fuck because I know what I'm getting ready to do. I know I'm going to the store and I'm going to come home and get my hair done and put on makeup so I can do what I need to do, which is go out and get fucked. I'm kind of a chameleon. I never look the same every day. Like my facial expressions or what I'm wearing or how I carry myself. I just happen to be a chameleon.

SCORE: I have a feeling that if I saw you on consecutive days, I'd know who you are just by looking at your chest.

DELOTTA: *[Laughs]* That's funny. Maybe I should wear a T-shirt that says, "You know me!"

SCORE: Do you have the biggest boobs you've ever seen?

DELOTTA: No. There's always someone who's going to be just worse than you, better than you, smaller than you, bigger than you. But I haven't seen many girls with tits like mine *and* an ass like mine. That's kind of unusual. But I've never had any complaints. Men never complain about big tits and a big ass. And I've got both!

Tera's big, wet naturals

SCORE DEBUT

WHEN WE SAW TERA COX, WE DECIDED TO HOLD A ONE-WOMAN WET T-SHIRT CONTEST.

When Tera Cox arrived in Miami, Florida (where it's always sunny and warm) from St. Louis, Missouri (where the weather had been shitty), all she wanted to do was put on a bikini, bask in the sunshine and hang out by the pool. "It was so nice to be warm for a change," Tera said. "I just wanted to be outside." And we just wanted to make her happy…while making us happy, too.

The result of our attempt to keep Tera *and SCORE* Men happy is our second wet T-shirt pictorial in two issues. Last issue, Candace Von unleashed her floaters, and this time, it's Tera's turn. "I don't get many chances to do this back in St. Louis, and besides, not a lot of people have pools in their backyards," Tera said. "But I did enter a wet T-shirt contest once. I won." Of course she did. "I was working as a waitress in a strip bar, and all the girls were telling me how much money I could make with my tits. I didn't have the nerve to get naked on stage, but I did enter the contest."

Since winning that contest, Tera has become more confident about her body. "I didn't even have to take my shirt off," she said. "All the guys were screaming, 'Show your tits!' to the other girls, but just my breasts in a wet T-shirt was driving them crazy." Tera in a bikini can drive a man crazy, too. Tera in *anything* can drive a man nuts. "I'm going to be a nurse, so I have to be careful. I don't want to cause heart attacks. But I like that my body has a good effect on men. It's definitely a turn on."

LILY VALENTINE WAKES UP TO A HARD COCK

IN HER WILDEST FANTASY, THIS CANADIAN SEXPOT FUCKS A HORNY STRANGER WHO HAS HAD HIS EYE ON HER.

It's lonely out in the cold Quebec woods, but fortunately for Lily Valentine, she's really not alone. She's playing out her ultimate fantasy with her "boyfriend," who's willing to get as kinky as Lily wants. Very kinky, as it turns out. In the DVD *Sleeping Sluts*, Lily's fantasy is that she's being watched by a stranger. She goes inside for a nap, and when she wakes up, some guy is pawing at her DDD-cup floppers. And that's not a bad thing. It's a good thing. Because, as always, Lily has woken up horny for cock.

These pictures prove that if Lily wanted to be a big-time porn star, she could. She could pack her bags, leave her hometown of Montreal, Canada, fly to Los Angeles, get off the plane and, within hours, be sucking and fucking every professional stunt cock in town. Her body is *that* good. She's *that* sexy. And she fucks *that* well. But, for now at least, Lily is simply a girl who did a little web modeling and decided to share her body with *SCORE* and *Voluptuous* readers just for fun. And for that, we are thankful.

PETRA'S 1ST TIME: "I'M READY TO BE A SLUT"

SHE'S GONE FROM SHY STUDENT TO COCK-HUNGRY PORN STAR. AND WE'VE BEEN ALONG FOR THE ENTIRE RIDE!

Flashback: May 2005: A shy brunette from Prague makes her debut in *SCORE*. Although she spreads her legs and bites her nipple, she doesn't use a dildo and declares, "I was very surprised when your photographer came up to me and asked if I would like to pose for your magazine." Fast-forward through two more *SCORE* solo pictorials and we have arrived at the coming-of-age of this pre-med student. Her first boy-girl is shocking to those of us who "remember her when" because we never thought we'd see it.

"I've decided to become a porn star!" Petra announced after our lucky stud was finished fucking her pussy and cumming all over DD-cup naturals. "I can always be a doctor, but I'm only going to be young once, and I'm having so much fun modeling, I've decided it's what I want to do for as long as I can." It's clear from these photos–and from her performance in the new DVD *Busty Cock Rock*–that Petra enjoys fucking and is good at it. So what's next? "I never thought I'd say this," she said, "but I'm ready to be a slut!"
